

1

**A Popular History of England,  
From the Earliest Times  
to the Reign of Queen Victoria  
VOL. I**

*François Pierre Guillaume Guizot*  
(1787 - 1874)

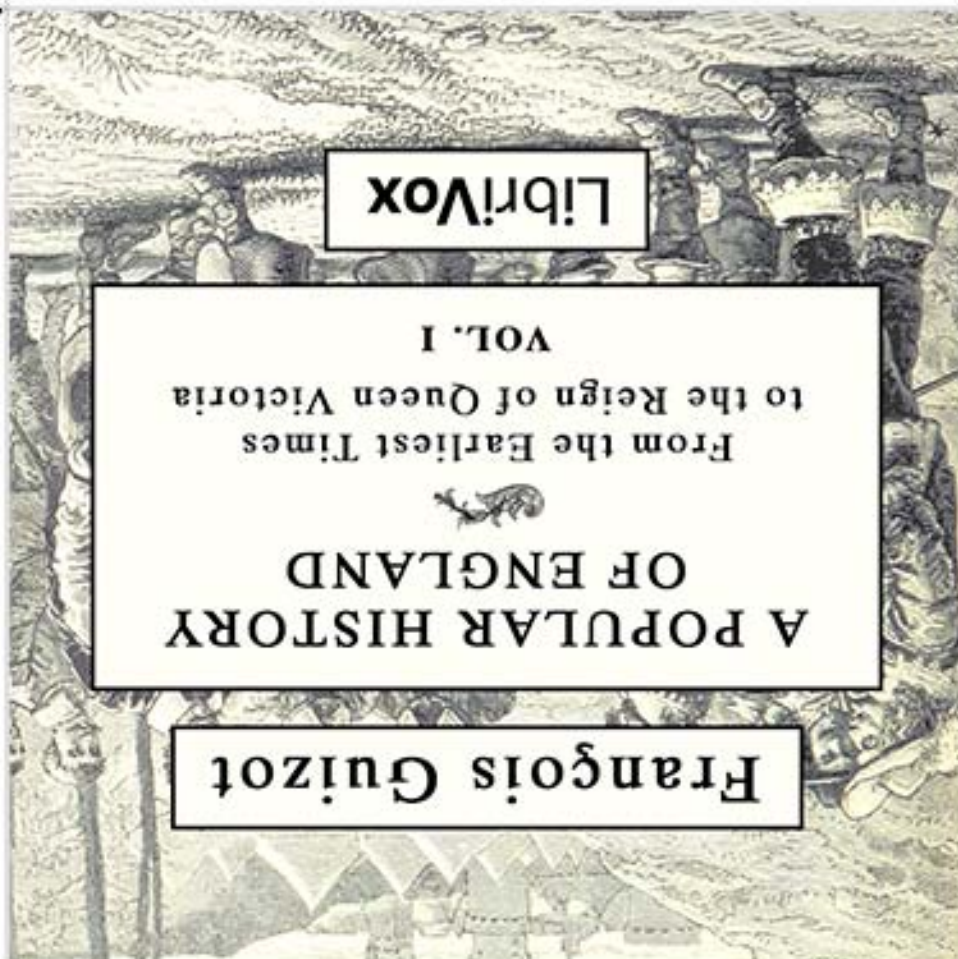

This is volume one in this series of books and deals with history from Caractacus and his Wife before Claudius to the death of Wat Tyler. This follows the history of that time. Volumes two and three will be done once this one is complete. (Summary by Michele Eaton)
